Team Design Challenge - Hair/ Makeup Design

The play selected for you to design will be revealed at contest

In this exercise your team will design two (2) hair/makeup looks for the show listed in the packet you receive at convention. You must choose one male and one female character from the characters listed in the packet. You must be clear about your choice in your design and on your concept page. You have 90 minutes to complete your design, turn it in to the judge and have your area completely clean. You should work as a team and collaborate as much as possible. Failure to observe and follow the required rules will result in disqualification.

Materials:

1. You MUST BRING a makeup, Hairstyle morgue filled with images of various makeup styles and hairstyles to help you reference looks and techniques for your designs.
2. You will be given a packet with the prompt, scoring sheet, and any paperwork that must be filled out and turned in to be considered for adjudication.
3. You will get one low amperage power cord.
4. You may not use another team's power cord.
5. Only one electrical device may be plugged in at a time.
6. You will receive this packet to use for writing your design concept.
7. Make sure that your team names, school, and troupe number are on the packet.
8. You must bring all your own makeup and hairstyling materials.

Rules:

1. You may not glue, staple, or do any construction work that could hurt or injure the actor. (Spirit gum and liquid latex are allowed)
2. You must use only one electrical device at a time.
3. You may not use your phone or the internet for help in any way. Outside help will result in disqualification.
4. You may not use spray paint. (Spray hair color is permitted.)
5. You may not use flame.
6. All spray adhesives must be checked by the judge and may be disallowed. Be prepared for this.
7. You may not damage the exhibit hall. Damage to the space may result in your disqualification and hold your troupe financially responsible.

8. Be prepared to clean your area when your design is completed.
9. You will have 2 hours to complete your design. No extra time will be given.
10. If a team member has to leave the event they will not be allowed to return.
11. Hazardous materials may not be used.
