

2022-2023 Honor Troupe Point System and Guidelines

Through the Honor Troupe program, the Arkansas Thespian Society seeks to recognize troupes for their many achievements and endeavors during the school year. Activities must take place between the last day of this year's State Festival to the first day of next year's State Festival. The application for Honor Troupe is available on the website www.arkansasthespians.org under State Thespian Festival.

A digital portfolio and application reflecting the troupe's activities during the current Honor Troupe cycle must be submitted electronically to Amy Pumphrey no later than January 21st, 2022. The portfolio should be a PowerPoint Presentation, a Google Hyperdoc, or any other means you can digitally imagine and should accurately document your points earned in each category. Questions? Contact Amy Pumphrey at honortroupe@arkansasthespians.org.

Honor Troupe award recipients will be announced during the Arkansas State Thespian Festival in February 2023. Honor Troupes will be designated as Gold, Silver, or Bronze Honor Troupes, based on the amount of points awarded to each troupe. We encourage all troupes to apply for Honor Troupe! PLEASE NOTE: Many of the categories state that if you were planning an event that was canceled due to Covid, you will still receive full credit for that event. We want to make sure that your work and your students' work is honored, even if it never reached its full potential.

Portfolio submissions must be organized using the following categories and descriptors. Each entry in the portfolio must include accompanying evidence or documentation.

If you would like to submit an application, simply copy this document, and link your artifacts in the appropriate place. For an example application, click [here](#). If you have any questions, contact Amy Pumphrey at honortroupe@arkansasthespians.org.
