# Things You Need to Know Before Festival

## BEFORE FESTIVAL

There are a few things that you need to know before Festival.

- We will have a meeting before Festival starts on Thursday. Here you will receive a different colored lanyard so that you can be spotted easily. The time for this meeting will be announced closer to the day.
- We will start each day off with a meeting to ensure that everyone knows their jobs.
- We will send out a schedule with your jobs closer to Festival.
