

UPDATED ONE ACT INFORMATION 2019/2020

Blue One Act Festival November 14-16 @ Searcy High School

Gold One Act Festival November 21-23 @ Russellville High School

Select one that fits your schools needs best.

Online Registration begins Monday, August 26, 2019.

The Principal Approval Form, Proof of Licensing, and Registration Fee must be postmarked by **October 11, 2019**, for both Blue and Gold One Act festivals.

Changes may be made without penalty after the application is submitted until October 11, 2019. After October 11, 2019, any changes will result in a \$20.00 charge per change.

Each troupe must complete the **online registration form and principal approval form located on the Arkansas Thespian website arkansasthespians.org**

Mail the completed principal form, proof of licensing, and registration fee to the Chapter Director, Marissa Arnold, at the address provided on the registration form.

The qualifying shows selected to perform at the State Festival in February at Arkansas State University/Embassy Suites Feb. 13-15, 2020, will be notified by the Chapter Director within a week after the final One Act festivals.

On the Thespian website below the "Two Choices Blue or Gold" click on **Dimensions of Stage/Tech for One Act**, to learn about the physical facility of each host school. Also, other than the basic Light Board, Follow Spot, and Sound Board with one offstage mic, nothing additional will be provided by the host school. Everything -- props, costumes, set and additional technical equipment must be provided by the performing school.

Please read the **One Act Festival section** of the **Festival Handbook** for additional information that has been provided this year for clarification of questions I may not have answered here.

NOTE JUNIOR SCHOOLS: You are performing on Saturday. See the time schedule on the one act form.

NOTE HIGH SCHOOL TROUPES: No flagged shows will be performed on Saturday during Junior Festival.
