

One Act Festivals and Chapter Select Showcase Regulations

Performance Regulations: Read carefully before submitting registration.

1. **General Information:** Any school may register and enter in either of the two regional one act festivals held in November. Invitations to Showcase or as Chapter Select are based on recommendations of the judges selected to adjudicate each troupe. No oral or written critiques will be provided to the troupe or its director prior to announcement of results.
2. **Schedule:** Space may be limited for a regional festival location. Attempts will be made to accommodate each school as requested. However, circumstances may make it difficult to meet everyone's needs. Final and official scheduling will be done on a first-come, first-served basis as registrations are received.
3. **Registration:** Your performance will not be officially scheduled on the program until your school's registration forms and fees are received. Registration will be available online. **Royalties: Under no circumstance will any troupe be allowed on stage without a performance license on file. Your production will not appear in the festival program if documented proof of license to perform is not on file by designated registration deadline.**

The following are some guidelines regarding royalties:

Schools producing **published material** must secure written permission from the publisher for presentation at the festival during festival dates. **Performing schools are responsible for payment of royalties at the Regionals and State Festival.**

Schools producing **original works** must have a written statement of originality from the author/playwright (even if it's you or one of your students--it's a legal issue) on file with the Chapter Director.

Schools producing **works that have been translated from another language** must have written permission from the publisher of that translation. Written proof of performance royalty must be submitted with the registration materials.

Cuttings: Directors must secure written permission to present a cutting from a play from the play publisher and the statement of permission must be attached to the registration materials.

Participation Requirements: 51% of the cast and crew of a performing group's one act must be inducted members of a school's thespian troupe.

Pre-performance: Performing groups will not be allocated rehearsal time or space prior to the scheduled performance time. Performers and directors are *not* allowed on stage until called to the stage by the one act coordinator.

- ❖ Performing Groups lighting and sound technicians **may report to the control booth 15 minutes before performance time.**
- ❖ Performing Groups have **10 minutes to load in on stage** any set pieces, props, costumes, etc. Groups will be called by the one act coordinator when their 10 minute load in on stage begins.

Performance: Performing Groups will have **a maximum of 45 minutes** to present their one act. Each performing group will provide a slated introduction before the performance. At the end of the performance each actor at the bows will appear on stage and state their name and character name for the adjudicators. (The Introduction and the Bows **do not** count as part of the 45 minute time limit)

Strike: Performing groups will have **5 minutes maximum to strike** all their set pieces, props, and costumes from the stage.

That school is responsible for the cleanup of all programs during the same 5 minute STRIKE allowed for actors and tech students involved in the production.

Special Effects: If your production contains a **gunshot or other loud noise**, you **must** indicate this on the registration. It must also be listed on the program (if applies) and stated during the introduction before the start of your show. Absolutely no pyro effects of ANY kind may be used.
