

Arkansas Team Costume Design Challenge

The Team Design Challenge will challenge our student design teams to a two (2) hour contest to render and construct a design according to the prompt provided at Festival.

In Costume Design, your team will design two (2) costumes for the show listed in the packet you receive at convention. You may choose any two of the characters listed in the packet but you must be clear about your choice in your design and on your concept page.

GUIDELINES:

You will be supplied two (2) armatures on which you will construct your costume designs.

You will also be given one low amperage power cord, but **any and all other materials** must be brought in by the competing Thespian Troupe.

You will be given a packet with the prompt, scoring sheet, and any paperwork that must be filled out and turned in to be considered for adjudication.

The entire team will be responsible for collaborating together to create a design that best reflects the prompt provided in the packet. You will have 2 hours to complete your design, turn it in to the judge and have your area completely clean.

Each team will have a tarp to sit and work on. All members and materials must stay on the tarp.
